

FALL LEAGUE DAY

Saturday, September 28 from 9:00am to 2:00pm
Pickwick Gardens, Orchid Room
1001 W Riverside Dr, Burbank 91506

DR. MANUEL PASTOR,

AUTHOR OF STATE OF RESISTANCE: WHAT CALIFORNIA'S DIZZYING DESCENT AND REMARKABLE RESURGENCE MEAN FOR AMERICA'S FUTURE

Reviewed by the New York Times as "clear, concise, and convincing," the book recalls that the Golden State was in the early 1990s gripped by the same sort of economic and racial anxiety that currently plague the nation. So how did California go from a state that led the way on tax-cutting and anti-immigrant sentiment to be a leader in raising the minimum wage, protecting immigrants from deportation, and advancing action to address climate change? What are the lessons from that arc of change for a polarized nation – and what are the key challenges facing California as it tries to make good on its promises of inclusion, sustainability, and more civil discourse?

2020 ELECTION CHANGES VSAP PRESENTATION

In 2020, Los Angeles County will transition from polling places to vote centers. Do you know everything about voting centers and the placement project? Learn how to ensure your communities are informed about where to vote and how to vote in 2020!
