Despite cold, snow, and crazy weather, our mission continues.
Here are this month's events to participate in via Zoom or in person.

(1) LWVOA presentation by Keep Our Republic with speaker Anne Mervenne on Thursday, February 22, 2024, at 1p at BTPL

The Challenges & Resilience of American Democracy

Founded in 2020, KOR is a bipartisan, nationwide group of past and present elected officials as well as citizens formed to combat the destructive elements perverting our politics.

As a member of Michigan's Advisory Council, Ms. Mervenne will provide information regarding this organization's mission and efforts. Ms. Mervenne's many accomplishments include appointments to bi-partisan policy-making boards by four different Michigan governors, Detroit Public Safety Foundation, Co-Director of the Political Leadership Program, and now serves on the Board of Blue Cross/Blue Shield of Michigan while maintaining a consulting firm. The presentation is certain to be informative and motivating.

This meeting is open to the public. Light refreshments will be provided. Contact Geri Rinschler at LWVOAMI@gmail.com for more info.
