The League of Women Voters - South County is a volunteer organization that promotes informed citizen involvement in government. The League may study issues, come to consensus on positions, and advocate for what we believe in. During election years, the League provides voter services which include voter registration, voter information and debates.

Membership in the League is open to any US Citizen.
Our annual dues are \$50 for an individual and \$75 for a household.
This includes membership in the local, state and national Leagues.
