Voting Rights

- ✓ ensuring every eligible voter has the freedom to vote

Improving Elections

- ✓ ensuring voters have information they need to participate in elections
- ✓ registering voters, forums, Vote411, etc.

Campaign Finance/Money in Politics

- ✓ elections should be about the voters, not big money interests
- ✓ limit SuperPacs & secret donors
- ✓ reform campaign finance system
- ✓ combat corruption & undue influence
- ✓ enable candidates to compete more equitably without ties to money

Redistricting

- ✓ districts should be apportioned substantially on population
- ✓ we oppose partisan and racial gerrymandering
- ✓ pass ballot initiatives for independent redistricting commissions

Direct Election of the President by Popular Vote

- ✓ direct-popular-vote method for electing the President and VP is essential to representative government
- ✓ Electoral College should be abolished
- ✓ support using the National Popular Vote Compact to achieve direct popular vote until Electoral College is abolished
