

**May's Vote** is a play about May Arkwright Hutton and Emma Smith DeVoe, two activists who worked together in Idaho to win the vote for women in 1896 before successfully leading the women's suffrage campaign in Washington State in 1910. May and Emma were as different as night and day, which makes for a very lively play! **May's Vote** illuminates the lives of these two fascinating women, from their childhoods through the successful Washington campaign.

**May's Vote** was written by Toni Douglass for the 1989 Washington State Centennial. This production is organized by Key City Public Theatre in Port Townsend, WA., and is funded in part by the Washington State Historical Society's Votes for Women Centennial Grant Program.
