Columbus, Ohio 43215

Our Mission

The League of Women Voters is a nonpartisan political organization that encourages informed and active participation in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.

The League of Women Voters is:

- A volunteer, grassroots, multi-issue organization. We work as leaders in public education and advocacy.
- Nonpartisan. We DO NOT support any political party or candidate. We DO take a stand on issues, and we DO work to influence policy.
- Observant. Through Observer Corps, we observe the meetings of city councils, townships, school boards and the judicial system.

The League of Women Voters is the nation's most effective grassroots organization.

The League of Women Voters Ohio (LWVO) was established in 1920 after the right to vote for women was passed. The LWVO is one of the state's most respected community-based organizations. In addition to our work in the elections area, League volunteers work on issues of local importance, from education to land use and housing.

We do not support or oppose any candidates for office or political parties. We want everyone to vote so our elected leaders represent our entire community. We are a voice for all, working to connect people directly with government. **We provide and work from facts. We educate. We advocate for change.**

Join our network of dedicated volunteers across the nation.

Membership is:

- Open to women and men.
- Filled with benefits, including opportunities to learn and lead, shape issues important to you and your family, and become part of a larger network across the country.
- Fun and personally fulfilling!

Support Important Issues:

The LWVO works to affect policy at all levels of government. LWV positions are reasoned through careful study and member discussions. As a result, you will find that many of the issues that are important to the LWV are also important to you.

The League is working to strengthen our democracy and our communities.

Join the League of Women Voters and be part of an organization that is:

- Empowering millions of voters to exercise their right to vote by holding voter registration drives, sponsoring candidate forums and debates, and educating the public about their rights on Election Day.
- Protecting the right to vote against threats and ensuring that every vote is counted by fighting for and implementing voting systems that are free, fair and accessible.
- Advocating for positive change at the local, state and national level on issues such as education, government accountability and money in politics.
- Fostering civil dialogue about important community issues, such as government spending, climate change, immigration and civil liberties.
