The Annual Meeting has four basic goals:

1. To elect a slate of officers representative of the membership.
2. To adopt a local Program on governmental issues which reflects the interests of the membership and to re-adopt or drop present local positions.
3. To adopt a budget that provides for the financial support of the League as a whole.
4. To review and/or amend local League bylaws.

In addition to these basic goals, the Annual Meeting is an opportunity to:

- Recognize special individual and group efforts;
- Renew interest in future League activities;
- Reacquaint with members and welcome new members

LWVUS & LWVMN Membership & Leadership Development Report: LWV ABC continues to be a Level II league. We participate in bi-monthly conference calls. Susan Anderson, Geri Nelson, Jeorgette Knoll, and Kathie Whelchel were the ABC participants this past year. MLD II meets by phone every 2 months to discuss local League successes and issues. A bimonthly Guidance Sheet is given in advance of the calls with ideas for increasing membership and developing leadership potential in current members.

Bruce Pomerantz is our current Calling Committee Chair. He is now re-organizing the Calling Tree to reflect our increase in membership to reflect those who wish emails rather than phone calls.

Please contact him with your preference and also if you wish to be part of the Calling Tree.

I gave two networking presentations at the January 7 Winter Conference of the Minnesota State Colleges Student Association in Bloomington MN. Part of the presentation was an invitation for Student Senators to contact Leagues in their respective areas to discuss partnering on voter issues and other legislative topics of concern.

We are in the process of polling members and visitors for their specific interests in League activities.

Local Program – Susan Anderson, Program Chair:

At the Annual meeting members review and elect to keep, update, or drop local positions.

LWV ABC Local Positions

- **LWV ABC local positions were reviewed April 16, 2016**

Local positions are the result of studies conducted within LWV ABC and are used to advocate within the LWV ABC service area. They are not included in LWVUS or LWV Minnesota program.

- **Appointive Process in Local Government (1978) (reviewed and elected to keep April 16, 2016)**

LWV ABC supports publicized and orderly application and appointment process which will maximize participation of qualified individuals and assure efficient operation of advisory boards and committees.

- **Appointive Process in Anoka Hennepin School District 11 (1979) (reviewed and elected to keep April 16, 2016)**

LWV ABC supports publicized and orderly application and orientation process, which will maximize representation and efficient operation of advisory committees.

- **Metro Watershed Management Organization and the Implementation of the Metro Surface Water Management Act (1992) (reviewed and elected to keep April 16, 2016)**

LWV ABC supports the establishment and implementation of comprehensive surface and ground water management for the metropolitan area.

- **Anoka County Park System (1994) (Revised 2010) (reviewed and elected to keep April 16, 2016)**

- LWV ABC supports the establishment of a well-publicized citizen's advisory board to ensure that Anoka County government will be aware of and sensitive to county resident's park concerns.
- LWV ABC supports regular meetings of representatives of city and county park staff to exchange ideas and common concerns and to ensure that city park boards are aware of county park board plans and activities.
- LWV ABC supports a greater base of citizen support for the park system through the employment of a full or part-time coordinator to organize activities of volunteers.

- **Licensing of Rental Properties (2004) (reviewed and elected to keep April 16, 2016)**

LWV ABC believes that municipalities need a licensing policy for rental properties and have an obligation to regularly inspect rental properties in their jurisdiction. Inspections should include examination of both the exterior and interior of the rental dwelling unit and the common areas of the interior used by all tenants. Cities should enforce code compliance to ensure the health and safety of the property's tenants. City codes/ordinances should include a reasonable time for the correction of code violations. Emergency cases: when a violation constitutes an imminent peril to life, health, safety or property, the city may require immediate compliance and, if necessary, take appropriate action to correct the violation.

Home health Care (2007) (revised 2008) (reviewed and elected to keep April 16, 2016)

LWV ABC supports the provision and delivery of safe, affordable, flexible home health care services for all, including the elderly and disabled.

Non-Partisan Policy – Geri Nelson, Voters Service Co-Chair:

LWV ABC Nonpartisan Policy

To ensure the credibility of the League as a nonpartisan organization, each League's board of directors is responsible for drafting and carrying out its own nonpartisan policy and for seeing that both its members and the public understand the League's nonpartisan role.

The League Shall Not Support or Oppose Any Political Party or Any Candidate Reviewed and Approved April 16, 2016

1. The President and Voter Service Chair will refrain from public involvement in political campaigns during their terms of office. Involvement includes such things as having one's name on campaign literature, displaying yard signs and holding coffee parties for a candidate. (Attending a precinct caucus is fine.) Board members who are candidates for political office should resign from the Board or take a leave of absence during their own campaign.
2. No League member who is highly visible in a political party, closely associated in some way with a candidate, or identified with an issue under discussion at a candidate forum should be involved in running that event. The object is to prevent, in the eyes of the public, either an actual or apparent conflict of interest.
3. Explain to incumbent candidates (and to new League members) that while League may have lobbied the office holder on an issue, that function is kept separate from voter service activities for the general public. The League position on an issue is never stated by the League during a public candidate forum.
4. Co-sponsorship can present problems of perceived bias, especially if the other organization is identified with a particular point of view or endorses candidates before the election. If LWV ABC's name is on a project, be certain that League guidelines for non-partisanship and fairness are agreed upon ahead of time and followed. If the group has endorsed issues or candidates before the forum, League should decline to be involved. Explain that we are concerned about even the possible appearance of endorsement.
5. Moderating for other forum sponsors: League does want to encourage citizen involvement and to provide experienced moderators for the community, but does not want to jeopardize its reputation by participating in poorly conceived or executed forums. If you are asked to moderate for another group, you must explain our nonpartisan policies to them and find out the following:
 - a. Motivation of the sponsoring group
 - b. Have all candidates been invited? Are they attending? If not, why not?
 - c. What are the issues in this election?
 - d. Format and ground rules? Do the candidates know them?

e. Will timers and ushers for collecting questions be provided? (You may want another League member to sort questions and to help you keep track of speaking rotation if there are several candidates.)

6. All voter service projects, including candidate meetings, should include a disclaimer that League neither endorses nor opposes candidates for political office.

At the annual meeting LWV ABC members review and if necessary update the Nonpartisan Policy.

Current Board:

Current Board 2016-2017

Officers and committee chairs are elected at the annual meeting. Other members of the board are appointed at the annual retreat.
