

***The Gap
Between the
U.S. and Iowa
Recoveries from
the Pandemic***

Nov. 17th, 7:00 p.m. at the Ames Public Library or Facebook live at League of Women Voters of Ames & Story County

The public is invited to the League of Women Voters program presented by Peter Orazem, ISU Professor of Economics and Director of Program for the Study of Midwest Markets & Entrepreneurship. Dr Orazem will discuss the labor shortages and increased demand and how these factors are hampering the economic recovery nationally and how these factors are impacting Iowa's recovery.
