

# RETURN your Mail-In Ballot

## IMPORTANT!

- Verify that your **mail-in ballot** is valid and ready to be RETURNED:
  - \* Is your **mail-in ballot** inside the security envelope and is this envelope **sealed**?
  - \* Is the **sealed** security envelope inside the sealed Official Election return envelope?
  - \* Did you **sign** your declaration on the Official Election return envelope?
  - \* Did you fill out the date, and **print** your name and address on the Official Election return envelope?
- If you don't think your RETURNED ballot will be received by the county Elections Office by the **deadline** (see below), you can vote **in person** at your polling place on Election Day, using a **provisional ballot**.

**DEADLINE** – For your completed **mail-in ballot** to be counted, it must be:  
**POSTMARKED** by **8:00pm on Election Day, November 3rd**  
**AND**  
**RECEIVED** by your county Elections Office by **5:00pm, November 6th**

## How? 2 Ways to RETURN

### POSTAL MAIL

1

Put your **mail-in ballot**, contained in its 2 envelopes, into the postal mail

#### IMPORTANT!

- The U.S. Postal Service suggests that you mail your **mail-in ballot at least 7 days before Election day**. **Postmarks do not count!**
- The Official Election return envelope has pre-paid postage – **no stamp is necessary** to send it!

### IN PERSON

1

Go to your county Elections Office to drop off your **mail-in ballot**, contained in its 2 envelopes
