VOTING BY MAIL

Follow directions carefully. Sign it.

Return your mail in ballot as soon as you receive it. You have three options for returning your ballot:

1. **Mail early** to ensure that the Town Clerk receives it before Nov. 3.
2. Place it in a secure Drop Box.
3. Deliver it to your Town Clerk's office during early in-person voting times.

A bar code on your ballot allows you to track the progress of your ballot. If you get a "not found" response, go back and check again until you see that it was accounted for. There may be a lag time.

Or call Town Clerk. www.TrackMyBallotMA.com

OUT-OF-STATE COLLEGE STUDENTS

If you vote by mail, you must get an absentee ballot from the state where you legally reside. Deadlines are different in every state. Plan ahead. Vote early. Check ID requirements for voting.

POLL WORKERS NEEDED

Sign up to be a poll worker. <https://www.powerthepolls.org/?source=LWVUS>
Concern is growing that our Election Day workforce - often understaffed and under-resourced even in a 'normal' year - will be in deep peril in November. Many older, experienced poll workers will stay home this year over concerns for their health. Big need for bilingual workers.
