Empowering Voters

What you can do to get involved.

The most obvious and easiest way is to VOTE in every election. But beyond that and the purpose of this publication is to encourage you to make your voice heard by sharing your thoughts with your elected representatives at all levels of government.

Remember: They Work for You.

You can do this by contacting them by email, phone or regular mail. Individually composed emails rather than forwarded bulk messages are now considered most effective, but phone calls and regular mail are good too. Try to keep your message short and to the point. If possible include the bill number and how it would affect you or others. Be sure to give your name, address and phone number. Letters to elected officials should be addressed to "The Honorable _____" or "Position" plus name, i.e. "Councilmember Jane Doe". Ask for a response.

The most direct method of being heard is to talk to your representative in person. On the local level this means attending open meetings. Consult webpages for info on meeting days and times.

At the state level it is possible to schedule an appointment to speak with your representative. Candidate forums and town halls are another option. Writing letters to the editor of your local newspaper is an excellent method for expressing your views and much more effective than talking back to your television.

We hope this League of Women Voters TRY publication will aid you in taking action to become an involved citizen.

THE LEAGUE OF WOMEN VOTERS

The League of Women Voters is a non-partisan organization whose purpose is to promote political responsibility through informed and active participation of citizens in government and to act on selected governmental issues.

Washington State granted women the right to vote in November 1910, the fifth state in the union to do so. The 19th amendment to the U.S. Constitution, which granted all women the right to vote, was passed in 1920. The League of Women Voters of the U.S. was founded that same year.

Membership is open to citizens, male and female, of voting age.

LWV Mason County meets on the third Tuesday of the month (except in July and August) from 11:30 to 1:30 at the Olympic College Johnson Library

Defending Democracy

general voting information

You are **ELIGIBLE TO VOTE** if you are a U.S. citizen, a legal resident of Washington State and are registered to vote.

You may **REGISTER TO VOTE** at the County Elections Dept., libraries, schools, manned fire stations, the DSHS office or when renewing your driver's license. You must be at least 18 years old by the date of the next election and not under the authority of the Dept. of Corrections. **UPDATE YOUR REGISTRATION** if you move or change your name. The form is online from the Mason County Auditor's office. Online and mailed registrations must be received 8 days before an election. You may **REGISTER AND VOTE** at the auditor's office until 8:00PM on Election Day.

Mason County **VOTES BY MAIL**. Ballots are sent 18 days before the election (sooner to persons serving in the military or living overseas). They must be postmarked or hand delivered to the Auditor's office or one of the official drop boxes by the day of the election before 8 pm. If you have not received your ballot within ten days of the election, call the Mason County Auditor's office (360.427.9670 or 360.275.4255 Ext. 470).

FURTHER INFORMATION about voting or voter registration is available by calling the Mason County Auditor's office or going online to www.co.mason.wa.us/auditor.

The **PRIMARY ELECTION** is held in August. Washington has a "top two" system. The two candidates who receive the most votes advance to the General Election, regardless of party preference.

The **GENERAL ELECTION**, including state ballot issues, is held on the 1st Tuesday after the 1st Monday in November. Federal, State, County and PUD officials are elected in even years. City and District officials (such as fire, schools, ports or hospital) are elected in odd years.

SPECIAL ELECTIONS are held in February and April for voting on construction bonds or school/fire district levies.
