**March 2019**

**The League supports HB 38 early voting and HB 39 for the following reasons:**

**They remove barriers to voting to get more Delawareans to the polls**

The League of Women Voters of the United States believes that voting is a fundamental citizen right that must be guaranteed.

Expanding voter access has been a principal goal of the League since its founding. The LWV of Delaware bases its action on the LWVUS position.

- 1. HB38 - 10 Day Early Voting:** The #1 reason for not voting is not being able to get to the polls, and this bill will make it easier to vote. Delaware can join 40 other states, including Maryland and New Jersey, in offering early voting.
- 2. HB39 – Same Day Registration:** Seventeen states offer same day registration so their residents can register and cast a ballot on the same day.

We urge you to voter for these bills.
