☐ A staff member - please include their name and title:

Legislator responses

10. **Question 1: What can we learn about open meetings from the pandemic?**

11. Question 2: What kinds of legislation would you bring or support to mitigate health effects of climate change, particularly air pollution and extreme heat?

12. Question 3: Housing underproduction has been identified as one of the most significant problems facing California today. How do we make substantial progress to increase housing and decrease homelessness?

Legislator Responses (continued)

13. Question 4: Personal Priorities of Legislator

What other major issues do you think the legislature must deal with in 2024?

What are your personal priorities?

14. **Question 5: Local Issues**

Local League Question(s) related to issues of particular local concern. This is entirely optional, but you are welcome to include a question related to local issues.

15. Any additional comments or observations:
