THEATRE PARTY

**STRAY DOG
THEATRE**
unleashing the art

Join your fellow League members for this scathing new comedy about small-town politics and real-world power. Take a look at the inner-workings of a city council meeting in the town of Big Cherry and the hypocrisy, greed, and ambition that follow. *The Minutes* is from the author of *August: Osage County*. Part *Parks & Recreation*, part *Twilight Zone*, this powerful, resonant, and funny portrayal of democracy in action proves that *everything* you know can change.
