# Advocacy Opportunities - Kim (5min.)

## ➤ **DHHS Public input on how NC Medicaid and Health Choice can:**

- Care for the whole person to improve physical and mental health,
- Help doctors and other health care providers transition to managed care,
- Manage care to improve overall health, not only to treat injury or illness,
- Consider the impact of income, housing, lifestyle and other social circumstances on health and health care services,
- Improve quality of care,
- Pay for value, and
- Increase access to care and treat substance use disorder.

## ➤ **Accepting public comments in writing and at four public hearings:**

- May 1, 5:30-7:30 p.m., Greensboro – Guilford County DHHS Building, 1203 Maple St., Rooms 122 and 123
