A FUNDRAISER FOR THE
LEAGUE OF WOMEN VOTERS
OF GREATER CLEVELAND

A DOLL’S HOUSE,
PART 2
by Lucas Hnath
Allen Theatre

What ever happened to Nora Helmer? Fifteen years ago, she slammed the door on her husband and young children and disappeared. Now she’s back—uninvited and on an urgent mission. Fed up with playing by 19th century rules, Nora is blazing a path for women’s rights. But the family she left behind is not willing to easily forgive or forget. Crackling with razor-sharp humor and fiery wit, this bold and feisty new play pits the roles we choose to play versus those we are given.
