LWVC LOCAL LEAGUE COACHES TRAINING SYSTEM

The League of Women Voters is a grassroots organization and local Leagues are its backbone. The board of the League of Women Voters of California is committed to ensuring and enhancing their health and vitality. To that end, the LWVC has established a system of using Local League Coaches (LLCs) to assist and train local League leaders. The LLCs provide assistance with board training, portfolio training, and general matters and questions which arise throughout the year. Their names, addresses, telephone numbers, and the Leagues they serve are listed on the following pages.

The LWVC Member Services Director Jacquie Canfield is responsible for coordinating the LLCs and working closely with local Leagues. She is assisted by two LLC coordinators:

All LWVC board members are available for consultation and may be called upon for assistance.

Each local League should take the following steps to keep in contact with its LLC:

- Send agendas and minutes from your board meetings to your LLC. ***Please do not send them to the LWVC.***
- Send your Annual Meeting materials to your LLC. ***Proposed local bylaws changes must be submitted to your LLC for review prior to presenting them to your membership for consideration with annual meeting materials.***
- Send your *VOTER* to your LLC.
- Schedule a date for board training with your LLC. Please have several possible dates ready when you contact your LLC.
- Contact your LLC for help with organizational problems, routine visits to your League, board meetings, and requests for training.
- For assistance in a specific area, contact the LWVC board member whose portfolio covers the area of your concern. If you are not certain which member of the board to contact, ask your LLC.
- Contact any of the above individuals if there is no LLC listed for your League.
