**As a citizen (age 18 or older), you have the right and responsibility to vote in elections. Educate yourself on the candidates and issues in each election, whether local or national.**

Once the Suffolk County Board of Elections has processed your registration, you will be mailed a card indicating your **polling place**. If you do not receive the card or have questions, you may call them at **(631) 852-4500**. You can also confirm your registration by visiting <https://voterlookup.elections.ny.gov/>

You are able to vote Early in all the primaries (if registered in a party before February 14, 2024) and in the general election. **Early Voting** begins 10 days before the regular voting date and goes through to the Sunday before Election Day. You can vote at any Early Voting site in Suffolk County. These are different from your regular polling site and have different hours. Check with the Suffolk County Board of Elections to find the sites and times. Votes cast in Early Voting are counted on Election Day.

Any registered voter may apply for an **Early Mail Ballot**. You may apply for it online and get more information at <https://elections.ny.gov/request-ballot>, or go to your county Board of Elections.

You may apply for an **Absentee Ballot** if you will be out of Suffolk County on Election Day, or are unable to appear at the polls due to temporary or permanent illness, disability or duties related as primary caretaker of a physically disabled or ill person, a resident or patient of a Veterans Health Administration Hospital, or in Jail or prison for any reason other than a felony conviction, This includes anyone who is awaiting grand jury action, awaiting trial, or serving a sentence for a misdemeanor. You can request a ballot via an application, letter, fax or online at <https://elections.ny.gov/request-ballot>. Once processed, you will receive your ballot in the mail.

**If an Absentee Ballot or Early Mail Ballot is issued to you, you may not vote on a Voting Machine during Early Voting or on Election Day. Ask for an Affidavit Ballot.**

### **ID Needed for Voting in New York State**

Identification means a current NYS driver's license or the last four digits of your Social Security number. If you do not have either of these, you may provide a copy of a valid photo ID, or a current utility bill, bank statement, government check or some other government documentation that shows your name and address. If you do not provide identification when you register, you may be asked for it the first time you vote.

### **NEVER LEAVE THE POLLING PLACE WITHOUT VOTING!**

**If your name is not on the list, ask for an affidavit ballot!**

**On Election Day all polling places in Suffolk County are open from 6am to 9pm.**

# Suffolk County 2024 Operating Budget

## Budget Overview

The total Suffolk County 2024 Adopted Operating Budget is \$4.1 billion, which represents \$2,705 for each adult and child in the county.

Suffolk County prepares two budgets each year: the operating budget and the capital budget and program. The capital budget must be adopted by the Legislature by June 30 for approval by the County Executive. The 2024 Adopted Capital Budget is \$389,930,023. The Community College budget is approved prior to the start of the academic year on September 1. The 2023-2024 Adopted Suffolk County Community College Operating Budget is \$215,013,650. The following paragraphs address only the County's 2024 operating budget. The fiscal year for the operating budget starts January 1.

The information included here can only be considered an overview of a quite complex subject.

## Operating Budget timeline

- The County Executive holds two hearings on his proposed budget in August.
- The County Executive submits his proposed budget to the Legislature on or before the third Friday in September.
- The Legislature holds two hearings, completed by October 31.
- By November 10, the Legislature must act to amend the proposed budget, and submit it to the County Executive.
- The County Executive may veto the whole budget, or individual line items, before November 21, or the budget is adopted as submitted.

## Points to keep in mind:

**Revenue** comes from property taxes, sales tax, state aid, federal aid, and other sources.

The revenue stream included in the budget is only an estimate of the amounts that can be anticipated. If retail sales fall, the 8.625% sales tax yield will not be as great as anticipated. Similarly, if homeowners and business owners do not promptly pay their property tax, there is a shortfall. The county may borrow money in anticipation of receiving this revenue; therefore, debt service may be required because of this borrowing. A general view of the 2024 anticipated revenue is shown in pie chart A.

**Expenditures** are for personnel, debt service, and a wide variety of services, such as police, education and economic assistance. Some expenditures are mandated by the state and federal government, which restricts the freedom of the county to apportion expenditures.

The proposed 2024 expenditures are shown in pie chart B. The largest functions are economic assistance, employee benefits and public safety. Transfer to other funds represents inter-departmental transfers for services, such as personnel benefits, vehicle maintenance, etc. About 39% of the \$4.1 billion budget is "mandated" by various state and federal programs, such as Medicaid. The remainder is "discretionary."

**Townships** - The budgets of the 10 towns in the county are separate from the county budget.

## Comparison:

- The taxable full valuation of property in the county is \$405.5 billion. According to the 2020 census there were 578,940 households in Suffolk County.
- According to the 2020 census, the county population – 1.5 million – is larger than Alaska, Delaware, District of Columbia, Hawaii, Maine, Montana, New Hampshire, North Dakota, Rhode Island, South Dakota, Vermont, and Wyoming.

Suffolk County: At a Glance

Suffolk County comprises about 1000 square miles of the eastern two-thirds of Long Island. Long Island, formed during the Pleistocene Era 10,000 years ago, extends 120 miles into the Atlantic Ocean, east from New York City. The distance from the Nassau County border to the eastern tip of Montauk Point is 86 miles.

The Dutchman, Adrian Block, who was the first explorer to touch land at Montauk Point in 1614, encountered indigenous people. English colonists crossed Long Island Sound from Connecticut and Massachusetts colonies, founding Southold and Southampton (1640), East Hampton (1648), Shelter Island (1652), and Setauket in Brookhaven (1655).

In 1682 James, Duke of York, who owned Long Island, appointed Thomas Dongan to govern it. At a gathering of colonial representatives, the “Charter of Liberties and Privileges” was adopted (November 1683), establishing Suffolk County as a political entity and as one of the 12 original

counties of the Province of New York, and laying the foundation for the State’s present political subdivisions and governmental structure.

Until 1960, Suffolk County, consisting of the ten towns of Babylon, Brookhaven, East Hampton, Huntington, Islip, Riverhead, Shelter Island, Smithtown, Southampton, and Southold, was governed by a Board of Supervisors, with each town represented by its elected supervisor. In 1958, the voters approved a new Suffolk County Charter that provided for a new administrative officer, the County Executive, while retaining the Board of Supervisors as the legislative body. In 1968, the US Supreme Court mandated that the one-man, one-vote principle be applied to county government. Therefore, the Charter Revision Commission proposed the apportionment of the county into 18 districts of equal population, and the election of one representative from each of the districts to constitute the County Legislature, replacing the old Board of Supervisors.
