Changes to Election Laws as of July 1, 2020

Absentee Voting: You do not need a justification for early/absentee voting! Any **REGISTERED** voter can vote absentee without an excuse. For mail-in ballots, you need to sign your ballot, but you do not need a witness signature, based on a legal settlement on August 21. If you are voting for the first time, you must also provide proof of a valid ID when returning your ballot. Your ballot must be postmarked on or before Election Day, but ***may be received on or before noon on the third day after the election.***

Voter ID: Photo ID is not required. ID options include: voter registration card, expired driver's license (if the information is accurate), a recent official document with your name and address (e.g. a utility bill). Find a list of all acceptable types of IDs at: www.elections.virginia.gov/registration/photo-ids-required-to-vote/.

Voter ID is not absolutely required. You can sign an ID statement affirming your identity, and you will be able to vote a regular ballot. If you do not sign an ID statement, you may vote a provisional ballot. Your vote will be counted if you provide a copy of your ID or complete the identity statement.

Election Day is now a Virginia State holiday. It is not currently a City of Falls Church holiday.

The ballot includes a proposed amendment to the Virginia Constitution that will eliminate Gerry-mandering by establishing a transparent, citizen-led **Redistricting Commission** to draw the legislative districts. Legislators would no longer be the only voices determining districts. For more information: [VOTE411.org](https://www.vote411.org) or [OneVirginia2021.org](https://www.onevirginia2021.org).
