### Virginia Department of Elections (ELECT)

The most current and complete source of information about elections and voting in Virginia can be found on the Virginia Department of Election's website, *Vote.Virginia.Gov*, which is updated throughout the year. See especially its citizen portal, where eligible citizens can **register to vote** and **request an absentee ballot online**. Registered voters are encouraged to check the status of their registration and polling place at this site at least 30 days before an election. Local information can also be found at the websites listed on pages 3 and 4.

### Voter Registration

You must be registered to vote in Virginia. Voter registration is closed during the 21 days before a regularly scheduled election, 6 days before special elections for statewide offices and 13 days for others. Special elections are called to fill vacancies. You are eligible to register to vote if you are:

- A citizen of the United States;
- A resident of Virginia;
- At least 18 years of age on or before the date of the next general election;
- Not registered in and not planning to vote in another state; and
- Have had your voting rights restored if convicted of a felony or judged mentally incapacitated.

You can check to see if you are registered by calling your local Registrar or by going online to *Vote.Virginia.Gov*, where you can also change your name or address. **You do not have to re-register for each election. However, to remain a qualified voter, you must notify your Registrar of any change in name or address in a timely manner.**

**HOW and WHERE:** To register online or download a voter registration application, visit *Vote.Virginia.Gov*. If you have a current Virginia driver's license or ID issued by the DMV, you can complete and submit your registration online. Otherwise, you can also download and print the registration application form from that website and take or mail it to your Registrar's office. Voter Registration application forms are also available at your Registrar's office, DMV offices, most public libraries and state and local government offices. See below for the address of your local Registrar.

**WHEN:** Voter Registration applications are accepted year round. The deadline to register or update your information for general elections is the 22nd

day before the election date. Applications arriving between the 22nd day before the election and Election Day will be processed after that election. Contact your Registrar for additional information.

## **Voting: At the polls on Election Day**

- The polls are open from 6 a.m. to 7 p.m. for all elections.
- Check your current Voter Information letter from the Registrar's office for your correct polling place. You may also check at [Vote.Virginia.Gov](http://Vote.Virginia.Gov), or contact your local Registrar's office (see below).
- All polling sites offer "curbside voting" for voters at least 65 years of age or with a physical disability, and post the necessary precinct contact information at the polling site entrance.
- **In Virginia, a photo ID is required by law to vote.** A complete list of acceptable forms of ID is available at [Vote.Virginia.Gov](http://Vote.Virginia.Gov) (photo ID). Registered voters who do not have a valid ID can apply for a free Virginia voter photo ID during working hours at any local Registrar's office throughout the year, including their local Registrar's office on Election Day, by providing their name, date of birth, last four digits of their social security number and verifying their registration address.

## **Voting: Before Election Day — Absentee Voting**

Virginia law does not allow what is called "early voting," but registered voters who meet one of the 19 eligibility requirements may vote by absentee ballot. Call or visit the website of your local Registrar's office for a list of the requirements or visit [Vote.Virginia.Gov](http://Vote.Virginia.Gov) (casting a ballot) for complete information. There are special provisions for military, overseas voters and emergencies.

**BY MAIL:** The application for an absentee ballot to be sent by mail can be submitted online or downloaded from [Vote.Virginia.Gov](http://Vote.Virginia.Gov). You may also request an application by contacting your elections office by mail, fax, or email, or obtain one from local government offices and libraries. Applications may be submitted by mail, fax, email or online up to twelve months prior to an election, but must be received by your elections office no later than 5 p.m. on the seventh day prior to an election. Voted ballots must be received in the Registrar's office by 7 p.m. on Election Day.

**IN PERSON:** Registered County and City voters who meet the eligibility requirements may apply for, and vote, an absentee ballot in person in the Registrar's office beginning 45 days before a general or primary election or, if a County resident, at designated satellite locations on a more limited schedule. In-person absentee voting is available through the Saturday before each Election Day.

*Vote411.org* is the League of Women Voters' national voter resource in all 50 states. It is a one-stop shop for voter information.

### Meetings

3:00 pm and 7:00 pm, first and third Tuesday of each month.  
Board Chambers, 1300 Courthouse Rd., Stafford, VA 22554

## STAFFORD COUNTY SCHOOL BOARD

The School Board holds various types of meetings of the full board, all of which are open to the public: Regular Board Meetings are typically held on the second and fourth Tuesdays of each month except July, August, November and December. In those months, there is only one meeting (usually on the second Tuesday). These meetings are normally held in the School Board chambers at 31 Stafford Avenue, Stafford, VA 22554, unless adopted otherwise by the School Board.

Special Called Board Meetings are occasionally called when there is a time-sensitive matter that must be discussed or voted upon before the next regularly scheduled meeting. These meetings are usually held in the School Board chambers.

Work Sessions are held when the Board needs to hold a lengthy, in-depth discussion on a particular matter. Votes are not taken during work sessions. Work sessions are usually held in the executive session room unless a larger venue is needed.

Public Hearings are held when a matter arises that requires citizen input (i.e., budgets, redistricting). The location of public hearings varies.

The meetings of the Stafford School Board are broadcast live at 7 p.m. on Comcast Cable Channel 18, Cox Channel 89, and Verizon Fios Channel 38. They are then re-broadcast in a taped version on Fridays at 7 p.m., on Saturdays at 1 p.m., and on the following Tuesdays at 7 p.m.

JAN, FEB, MAR, APR, MAY, JUN, SEP, OCT: On the second and fourth Tuesdays  
JULY ONLY: On the third Tuesday

AUG, NOV, DEC: On the second Tuesday

Additionally, the School Board has resumed live streaming on the internet, and has updated the system to include closed captioning. The closed captioning works on the division's television station and for live streams on the website.
