

**While events are on hold, I thought I would publish a special edition photo book with images of our League, and friends, celebrating *together* at our Centennial Gala. The wonderful images were a gift to us from Bob Laemle.**

**Hopefully we will be able to meet face-to-face again soon!**

**My personal update: we are definitely staying home; the house is “cleaner”; my hair is grayer; we’ve watched way too much TV; I’m reading “The Overstory”; walking on the OpenLands path; planning a Zoom Seder; ... and creating this photo book.**

**Please let me know if you have ideas about how to stay connected through our League communications channels.**
