All entrants must sign the following statement:

This work is the creative work of me/us alone. It has not been created or copyrighted by any other artist or entity and was not created by artificial intelligence. I/we grant permission for the non-partisan League of Women Voters of Monterey County to display this work in public locations such as libraries or on its website, in connection with its efforts to promote voter registration and participation and to inform voters about the candidates and issues that will appear on their ballots. I understand that if my original artwork is used it may not be returned to me.
