## League of Women Voters Education Fund Clearinghouse

"The League of Women Voters Education Fund Clearinghouse ([clearinghouse.lwv.org](http://clearinghouse.lwv.org)) contains studies and research conducted by League members across the country. The purpose of the site is to share League study documents among state and local Leagues and with the public. LWVUS(c)(3) does not maintain the Clearinghouse site, but does endorse it as a resource for Leagues. The site is maintained by a group of League member volunteers."

-LWVEF Clearinghouse

Leagues may save time by not reinventing study materials and learning how other Leagues have approached a tough issue. Leagues can also gain inspiration for program planning. When your League completes a study, please consider adding your study materials to the Clearinghouse.
