In one page or less, please tell us why your nominee deserves recognition as a Citizen of Achievement. If your nominee is selected to receive an award, your written nomination will be included in the program. A successful nominee is someone who has improved the quality of life in our community **as a volunteer**. Recipients of this award more than ten years ago that are contributing to the community in an entirely different way may also be nominated again. A full list of recipients since 1975 is available at [Previous COA Winners](#).

Please tell us:

- Who has benefited from this contribution and in what way?
- How has this person improved the quality of life in our community?
- Whether contributions are ongoing or a single transformative event or idea?
- Personal qualities of this individual
- Any obstacles this person has overcome
- Whether the nominee or a representative can attend the reception on **Sunday, October 12.**

Remember that in most cases the Selection Committee (Past Presidents of the League) does not know the nominee, so please give us enough information for evaluating that person. We will also use it to write about those who have been selected as Citizens of Achievement for the program booklet.

Nominations are due by **August 25**. We encourage online nominations at [Nomination Form](#), but also they can be emailed to [Email San Bernardino League of Women Voters](#) or mailed to LWVSB, PO Box 3394, San Bernardino, CA 92413.

This year's honorees and nominators will be notified and receive an invitation to attend the Citizens of Achievement Ceremony on **Sunday, October 12, 2025 from 1:00-3:00 PM**. Nominees and nominators will be encouraged to invite family, friends, and benefactors to join in the event.
