October 2023

PRESIDENT'S MESSAGE

The days are getting shorter. Evenings are cooler. We are starting to bundle up. And Voter Registration has been in full swing. Our team, led by Carmen Hurd and Betsy Patterson, has done a phenomenal job. They have been welcomed in four school districts, dozens of schools, and have introduced the importance of voting to nearly 2,000 students. That's how the League makes a difference! That's how *YOU* make a difference. Thank you to all who participated.

We have some important events coming up. If you haven't registered to attend, please do so soon.

- First is the Annual Fall General Membership Meeting on Saturday, October 7th from 1:00pm-4:00pm where our guest speaker will be Paul Copley of the CA Coalition for RCV, who will explain and demonstrate Ranked Choice Voting.
- Second is the return of our "Lunch and Learn with the League" series on Wednesday, October 11th at Noon featuring Vanessa Bechtel, President and CEO of the Ventura County Community Foundation. Both will be interesting and enlightening.

The third event on the horizon is the Holiday Party at Ottavio's restaurant, 1620 Ventura Blvd in Camarillo on Saturday, December 2nd. This is a fun event for all members. There is no business meeting, just holiday cheer for all. Please join us.

I'm looking forward to seeing you soon. Warm regards,

Pat Butler

President

We had our last meeting on September 21st. Though only a small group of us were available we have put together findings regarding other city and state's changes to traffic stops.

We are excited about our October 19th meeting and hope some of you will join us to hear our two guest speakers. Our committee has been looking at pretrial detention and traffic stops and our two speakers, Bob Bland and Damon Jenkins from our county's Public Safety Race Equity Advisory Group, will be addressing the topic. Please join us by contacting either [Kay Armstrong](#) or [Laura Hernandez](#).

Scholarship Committee

The Scholarship Committee met in September to discuss three issues. The first issue was how much to award scholarship amounts to each of our three community colleges. The consensus was to award \$ 2,500.00 to each school. In September this was proposed to the LWVVC Board and was approved.

The second issue was to decide if we needed to change our scholarship criteria. The consensus was no. And the third was to decide which committee members would be the

liaison to which school. Carol Lindberg will liaison with Oxnard College, Kay Armstrong will liaison with Moorpark college, and Sharon Bushman will liaison with Ventura college. If anyone has questions for us about our meeting or would like to join us, please contact [Kay Armstrong](#).

Voter Registration Committee High School, College & Community Events

Contact: Betsy Patterson, Co-Chair

Betsy Patterson, Jaxton Wright, and Kathy Morgan trained nine students in voter education & registration at Oxnard High School in prep for student-led voter registration drive on Sept 21st in Government and US History classes.

Matty Park and Carmen Hurd shared methods for engaging HS independent study students at Condor HS with all coach liaisons from all Oxnard high schools on September 15th.

During High School Voter Education Weeks in September, our volunteers visited 9 schools, encountered over 1,000 students and registered 221 students. We shared information about the history of voting in the US, talked with them about why voting might be important to them, a bit about the process of voting, and helped them register to vote if they wanted. Feedback from the students was positive at all schools and they offered some good ideas for ways we could improve our presentation.

We are still visiting schools and scheduling more events in the next few weeks, so we are always looking for more volunteers. Please consider signing up, even if you have never done this before - we will always have a trained League member there with you and we need help passing out voter registration forms, blue or black pens, or answering questions from the students. In the coming weeks we will visit Newbury Park High School (10/3/23) and we will be scheduling Rio Mesa HS and Channel Islands HS.

Contact Betsy Patterson or Carmen Hurd at lwwvc.info@gmail.com if you would like to be added to the list of possible volunteers for high school voter registration. Join us - it is fun!

CA Legislative Action

Referendum Reform in California – SUCCESS!

Assembly Bill 421 was approved by the legislature and signed into law by Governor Newsom in September. The legislation is intended to reduce confusion about the outcome of voting "yes" or "no" on a referendum.

A referendum is a measure placed on the ballot with the intention of overturning a state law. The ballot title will no longer ask voters to choose between a "yes" or "no" vote but ask them whether California should "keep the law," or "overturn the law." The summary that follows will include the "purposes and points of the law proposed to be overturned."

Also, as of January 1, 2025, the title and summary will be followed by a listing of the names of supporters and opponents in the ballot arguments printed in the State Voter Information Guide.

Happy Hour – 1st & 3rd Wednesdays

1st Wednesday @ 5:30pm, IN PERSON at Aloha Steakhouse, 364 S California Street, Ventura, CA 93001. Please RSVP to [Matty Park](#).

3rd Wednesday @ 5:30pm, hosted on Zoom. Please RSVP to [Kay Armstrong](#).

You don't have to be a League member to join. Come for five minutes, the whole hour or anywhere in between. We hope to see you there! **You are welcome to attend either or both Happy Hours.** Please register with the host in advance.
