LWV CALIFORNIA NEWS

Some great news: The California Secretary of State has just entered into a first-in-the-nation partnership with Equality California, Trans Can Work, and the National Center for Transgender Equality to implement a program to train California poll workers to make it easier for Transgender and Gender Non-Binary voters to cast ballots for the 2020 elections. Here is a link to a San Francisco Chronicle article about this new program:

https://www.sfchronicle.com/politics/amp/California-to-start-first-in-the-nation-training-14560805.php?_twitter_impression=true

The LWV Ventura County is supporting this program. We have submitted the training form to the County Clerk's Office and encouraged him to include it in the mandatory poll worker training. We will be ready for whatever else we can do.

SCHOOLS & COMMUNITIES FIRST CAMPAIGN

- RECLAIMS over \$12 billion per year for K-12 schools, community colleges and local communities
- CLOSES commercial property tax loopholes that allow big corporations to void paying their fair share
- INVESTS in truly educating our kids & in vital services to support our families
- ENSURES full transparency & accountability for all reclaimed revenue
- PROTECTS *all* homeowners & renters
- PROVIDES the largest tax incentive in a generation for small businesses
- LEVELS the playing field for businesses that already pay their fair share
- EXEMPTS smaller businesses valued at under \$3 million

Help spread the word! The opposition is using scare tactics by saying residential property taxes will be raised if the amendment to Prop 13 passes. *This is NOT true!* All residential properties are **exempt** from property tax increases under this change to Prop 13. WANT TO SEE SOMETHING COOL?

Recently, the national LWVUS CEO, Virginia Kase, spoke at a Harvard Kennedy School's Institute of Politics event to celebrate the upcoming **100th Anniversary of the 19th Amendment**.

On an all-female panel discussing political power and women's inclusion, Virginia reminded the audience of students and attorneys that women were not 'granted' the right to vote. "The hell they were! Women fought hard. It was a hard-fought battle" to win the vote. If the embedded link doesn't work, click here: <https://youtu.be/pSF-u8X4n-A>
