

It is official - our League is back! With your support we strengthened our organization and are well-positioned to tackle the challenges of the November election. While COVID has thrown everyone a curve ball, it won't stop us from registering new voters or helping people exercise their right to vote safely.

Our League tradition has been to provide voters with information about candidates and issues. Our new website and the VOTE411 online voter guide will help us continue with this critically important work. As we look ahead, we hope to expand our outreach to better connect Geauga's citizens with their government.

LWV - Geauga is affiliated with both the state (LWVOH) and national (LWVUS) League organizations. Your local membership dues support the important work they do on our behalf to make the League of Women Voters the vibrant, nationally respected organization it is today. Please join me in renewing your membership today!

Shelly Lewis, President      [shelly.lewis.lwvgeauga@gmail.com](mailto:shelly.lewis.lwvgeauga@gmail.com)      440-670-4833
