

Since June, counties, cities, and school boards have started holding their community of interest public input hearings and are set to start the mapping process. With redistricting happening at all levels of government, it can be difficult to keep track of the various hearings, meetings, and mapping sessions.

To support our partners and the community, California Common Cause has created a Redistricting Calendar that lists all the upcoming schedule of hearings, meetings, and public sessions for over forty jurisdictions in California. To access the new California Redistricting Calendar, [click HERE - 2021 California Redistricting Calendar](#).

calendar throughout the redistricting process, if you would like to: (1) add a jurisdiction; (2) make an update or correction; or (3) have any questions, please contact me at jdelrio@commoncause.org.

Please note that the jurisdictional information provided is subject to change. Check your local jurisdiction for any additional information or the latest updates. If you have any questions, please feel free to contact me via email.
