

Voter Service Season is upon us...

Election season means that LWV's Voter Service committee is in full swing. The exciting part of this is that we are ALL on the Voter Service Committee! Many worker spots remain for the myriad of forums we are conducting this fall, and help is needed with voter registration as well. Email us at LWVABC@lwvmn.org and raise your hand to help!

For more information on LWV ABC's scheduled forums, see our webpage.

LWV needs you report your hours!. Your Volunteer Hours Count! LWV Minnesota has redesigned the format on the LWV MN website for submitting League volunteer hours. The new process is easier to navigate, has clear instructions for completing the hours forms, and it only takes a couple minutes to submit your hours for the month. A new feature of the redesign is that you get an automatic reply with a confirmation of your hours that you can keep for

your own records. You can also enter time for taking action - again, there are clear instructions for what constitutes action.

Data matters when applying for grants or explaining how members engage with the community on behalf of League. Please take the time to submit your hours!

With thanks, Your LWV ABC President, Jeorgette Knoll

Thanks to QCTV and Producer Leslie Sauer-Smith for a lovely production of Bee Aware, Bee Friendly. It was filmed in Andover, MN and features many LWV members along with folks from the Andover Pollinator Awareness Project. Enjoy!
