ABOUT CAPE COD LEAGUE OF WOMEN VOTERS: (fill in description)

The League of Women Voters is an organization (of women and men) which does not endorse parties or candidates. The League has two distinct roles: Voter Service/Citizen Education role where we present unbiased non-partisan information about elections, the voting process, and issues. In our Advocacy /Legislative role, we are also non-partisan. We study an issue for its pros and cons. When we work with public officials on legislation or policy that address our concerns it is because of their positions on that issue, not because of their party affiliation.

"Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has!" Margaret Mead

Admission is free for the Voices & Votes Exhibits. The League will be at the Nye Museum 11-3 on Saturdays.

EXHIBIT HOURS: Tuesday-Friday, 10AM-3PM, and Saturday 11AM-4PM through January 31
