Recommendations

ELECTORAL DEMOCRACY

Includes redistricting, voter registration/voter access, and election management. See suggested list of changes from Lynn Teague.

List any positions in this area you wish to drop or reconsider. Please provide a rationale for your recommendations.

EFFECTIVE STATE AND LOCAL GOVERNMENT

Includes transparency and accountability, General Assembly, executive and regulatory, judiciary, constitutional revision, local government and home rule, and state and local taxation.

List any positions in this area you wish to drop or reconsider. Please provide a rationale for your recommendations.

HUMAN RIGHTS AND HUMAN SERVICES

Includes education, health care, protection of children's rights, and criminal justice. See suggestions from Education Working Group.

List any positions in this area you wish to drop or reconsider. Please provide a rationale for your recommendations.

RACIAL AND GENDER EQUITY

New section under this heading requiring positions.

Suggest any positions we might want to move from other sections, repeat from national positions, or adopt by concurrence from other Leagues. Examples might include support for ERA, strengthen community policing, broader representation of diversity on state and local boards and commissions. Investing in infrastructure for poor and minority communities.

ENVIRONMENTAL POLICY

Includes natural resources and transportation.

List any positions in this area you wish to drop or reconsider. Please provide a rationale for your recommendations.

RECOMMENDATION(s) FOR NEW STUDY:

TOPIC(s) _____

DESCRIPTION::

RATIONALE: consider the potential for advocacy, whether we might concur with a position adopted by a local League or another state League, what leadership you might be able to provide, and what financial resources it might require.

RECOMMENDATIONS for 2021-2023 EDUCATIONAL/PROGRAMMING PRIORITIES:

These priorities will be reflected in Voter content, speakers for LEAD and convention/council, and efforts by working groups and others to provide resources and information for local League programs and community education.

Proposed Program Priority: *(List top three priorities in order of importance)*
