

OBSERVER REPORT: CITIZENS' ADVISORY COMMITTEE, MACON AREA
TRANSPORTATION STUDY

Meeting Oct 14, 2020, via Zoom

Observer: Bob Hargrove

Summary of Report

Citizens Advisory Committee of the Macon Area Transportation Study (MATS). Commission staff. Several items were discussed:

1. Excessive speed and traffic on Ridge Avenue; needs a solution
2. The I-75/I-16 interchange construction will continue for approximately one more year.
3. The bridge over the railroad on College Street may be completed by June 2021.
4. This Committee may write a letter supporting the construction of I-14, an East-West interstate. There is an informational video at <https://youtube/2ppGSiXEA2w>.
