

**Volunteer Position:** Video Production Assistant

**Purpose:**

To create short broadcast videos and public service announcements to increase voter registration and turnout in Fresno County elections.

**Primary Position Duties:**

1. Assist LWVF producers with script development, videography, video editing, and post production for short TV programs and public service announcements.
2. May be assigned other related duties.

**Time Commitment:**

Minimum of 2 hours per week for academic year. Hours TBD by volunteer and LWVF production supervisor.

**Benefits:**

1. Develop relationships with others in LWVF, the Fresno video community, the Fresno County Registrar of Voters' office, and Fresno state students and alumni involved in community media.
2. Receive copies of videos you help create for your future portfolio use.
3. Gain video production skills and experience

Note: Volunteer may be eligible to take video production classes as part of LWVF membership in Community Media Access Collaborative for Fresno and Clovis (CMAC).
