

POWERING DEMOCRACY TOGETHER:

Partnership with the
League of Women Voters
of California

LWV LEAGUE OF WOMEN VOTERS®
OF CALIFORNIA

Empowering Voters. Defending Democracy.

The League of Women Voters of California is a nonpartisan organization that has fought since 1920 to empower voters and defend democracy.

Key to our effectiveness and reach is:

- The League engages voters across the state and local level through approximately **60 Leagues**.
- Each year, the League provides **millions of voters** with trusted, nonpartisan voting information in both English and Spanish.
- Our activities are powered by **thousands of volunteers** across the state.

Much is at stake in upcoming elections, and ensuring all voters are equipped and empowered to make their voices heard is critical to our democracy. That's why League of Women Voters of California is proud to work with a diverse coalition of partners — brands, nonprofits, associations across all industries — to uplift our trusted, nonpartisan resources and empower their networks to become civically engaged.

Partnerships help ensure our efforts are effective and reach broad networks of voters across the state.

We hope you join us!

How to Partner

We work with partners from all industries to help educate and equip voters to make their voices heard and engage their networks with civic and voter education.

This year, our League will work with partners to:

Provide Nonpartisan Voting Resources

We help partners craft nonpartisan get-out-the-vote messaging and provide resources that feature **VOTE411.org**, the League's one-stop shop for election information that empowers millions of voters each year.

"I'm casting my votes for the election and would be LOST without the VOTE411 voter guides."

"I find it to be of great value in learning about candidates in the down-ballot races that don't get much coverage in the media."

Support Voter and Volunteer Engagement

We collaborate with partners through **voter registration and voter education tabling**. Our League provides planning support, volunteers, and materials. We also provide **volunteer opportunities** for partners to engage in.

Provide Civic Education and Training

We offer virtual or in-person **educational workshops** for partners on voting, misinformation and disinformation, and civics 101. We help our partners engage their networks year-round, not only during election season.

Support the League with Charitable Giving

We deeply appreciate **donations to empower voters** in our community.
