

1. Barbara Knight & committee have verified contact information for the Government Directory and the Board of Elections is preparing it. The Peyton Anderson Foundation has funded the printing and it will go to Panaprint when ready.
2. We are having a large number of post cards printed for a writing event to the Legislature and asking members to pick up some cards and list of legislators to contact with suggestions for the script. The topic regards two pieces of legislation on redistricting - the Transparency Act and the Democracy Act which coordinates with our January membership meeting on Redistricting.
